

TILE & GROUT

Concentrated Cleaner

DUNLOP TILE & GROUT Concentrated Cleaner is an effective and easy to use everyday neutral cleaner that will remove general household dirt, grime and oils on tiles and grout.

DIRECTIONS

1. Before the first application of DUNLOP TILE & GROUT Cleaner, test a small amount of product in an inconspicuous area to ensure the desired result is achieved.
2. Dilute 10mL of DUNLOP TILE & GROUT Cleaner per 1L of water. Use hot water for best results.
3. For general cleaning, apply the cleaner with a mop. For stubborn dirt, use an appropriate scourer or scrubbing pad that is suitable for the tiles being cleaned. Ensure you don't scratch the tile surface.

NOTE:

Dunlop Tile and Grout Cleaner can also be applied by spray bottle by diluting 6mL of cleaner with 1L of water. Do not soak area for longer than 2 hours.

SPILLS:

Hose and wash area with large amounts of water. The use of personal protective equipment is recommended.

FIRST AID:

For advice, contact a Poisons Information Centre (Phone Australia 131 126; New Zealand 0800 746 766) or a doctor. If swallowed do NOT induce vomiting. If in eyes, hold eyelids apart and flush the eye continuously with running water. Continue flushing until advised to stop by the Poisons Information Centre or a doctor, or for at least 15 minutes. If skin contact occurs, remove contaminated clothing and flush skin and hair with running water. MSDS available at www.dunlopdij.com
